Notes:

- 1 For use on right hand hinged doors only. Left hand hinged wardrobe doors of Two-Person and Duplex lockers require left hand hinged version of this lock.
- 2 Can be used on 12" and wider. 9" wide lockers are for use with padlock only. This lock cannot be used on Maintenance-Free Quiet Stock Lockers at this time
- 3 For use in left hand hinged doors of Two-Person and Duplex lockers
- 4 Production Lockers are prepared for padlock use only. Can be ordered for use with other lock options, consult factory
- 5 Consult factory for all coin lock and digital lock requirements.

Notice----> All padlocks must have a minimum of 9/32" diameter shackle with a minimum of 3/4" from case to shackle for proper locking and fit
